

INSTITUTION: Faculty of Philosophy and Sociology, University of Warsaw, Institute of Philosophy, Chair for Logic

CITY: Warsaw, Poland

POSITION: teaching and research **assistant (no. 1)** (full-time position from 01.10.2018 to 30.09.2020)

DISCIPLINE: philosophy/logic

POSTED: **16.03.2018**

APPLICATION DEADLINE: **16.04.2018**

WEBSITE: <http://en.uw.edu.pl/jobs/>

KEYWORDS: logic

DESCRIPTION (field, expectations, further remarks):

The Chair for Logic at the University of Warsaw conducts research activities in the field of: (1) logical pragmatics and methodology (the role of context in logic and its applications in relation to natural languages, inferences with incomplete information, logical errors, criteria for rationality of inferences, heuristics, representation of knowledge and information, the role of questions in the theory of conversational implicatures, counterfactual conditionals); (2) formal logic and its applications in philosophy and science (non-classical logics, theory of truth, proof theory); (3) philosophy of logic and mathematics (ontological and epistemological assumptions in foundations of logic and mathematics, mathematical models in theological considerations); (4) history of logic (philosophy and logic in the Lvov-Warsaw School, philosophy of Kazimierz Ajdukiewicz).

Courses (both mandatory and elective) are given in the field of logic, set theory, methodology, philosophy of logic and the applications of logic in philosophy for the students of philosophy, cognitive science and also at the general university level. The didactic obligations of the Chair are quite extensive and heterogenous (among others, practical logic courses are given for the students of humanities and social sciences without any prior logical or philosophical preparation).

Detailed requirements and the method of evaluation of candidates:

The evaluation of candidates will follow the recommendations formulated in the Statute of the University of Warsaw, the European Charter for Researchers and guidelines of the Rector of the University of Warsaw regarding the principles of employing entry-level researchers as assistants in an open competition. Candidates are asked to fill in the questionnaire (attached), which will allow the Commission to assess the relevant aspects of the Candidate's current academic and didactic activity in accordance with the recommendations given in the aforementioned documents.

Candidates for the competition at the Chair for Logic at the University of Warsaw should have a doctorate in philosophy (or related sciences) as well as scientific achievements and interests corresponding to the research pursued at the Chair for Logic. Candidates whose interests concern logical pragmatics and methodology of science will be given preference. International scientific achievements will be viewed as an asset, as well as the Candidate's additional humanistic or social education.

The Candidate's scientific interests should be documented by publications, conference talks and participation in research projects (see the questionnaire). The Candidate is expected to have a very good command of Polish and English, with the competence and readiness to conduct, among others, the following courses: 'Logika 1' (at the Institute of Philosophy), 'Logika' (at the Institute of European Studies and the Institute of French Studies), 'Logika i semiotyka' (at the Institute of Polish Culture).

The candidate must fulfil requirements specified in Art. 114 paragraph 6 of the Act on Academic Education of 27 July 2005, Official Journal No. 164 item 1365 with further changes.

The application should contain:

1. application letter addressed to the Vice-Rector of the University of Warsaw, prof. dr hab. Andrzej Tarlecki, with the following note: *I hereby give consent for my personal data to be processed for the purposes of recruitment, in accordance with the Personal Data Protection Act dated 29th August 1997 (Journal of Laws of the Republic of Poland 2016, item 922 with further amendments).*
2. personal data form with a photo and an e-mail address
3. the questionnaire on scientific achievements (curriculum vitae), prepared according to the template (attached)
4. copies of the most important and relevant publications (no more than 3)
5. two reference letters from post-doctoral academic scientists (at least one of them should be affiliated outside the University of Warsaw)
6. a copy of the doctoral diploma
7. certificate of employment, if applicable

Important information! All the documents should be submitted both in a printed and in a digital version and sent (in the form of pdf files) to the address: dziekanat.wfis@uw.edu.pl

The printed version of the application documents should be sent to:

Office of the Dean, Faculty of Philosophy and Sociology, University of Warsaw
ul. Nowy Świat 69,
00-927 Warszawa
(room 170, 3rd floor)

Application deadline: 16.04.2018

Important information! Only complete applications that meet all the formal requirements will be processed.

The successful candidate will be selected by **24.05.2018**. Information about the results of the competition will be sent to the candidates by e-mail.

This competition constitutes the first stage of the recruitment and employment procedure for the position of an academic teacher described by the Statute of the University of Warsaw (Art.

88-91a, Art. 93-94). The positive outcome of the application process is the basis for further procedure.

Information clause

1. Your personal data is administered by the University of Warsaw (the Controller), with the headquarters in Warsaw at Krakowskie Przedmieście 26/28;
2. Your personal data will be processed for the purpose of the selection;
3. The provision of personal data is voluntary yet necessary for the achievement of the purposes for which they have been collected;
4. The personal data provided will not be made available to external entities, except for the cases provided for by law;
5. You have the right to access your personal data as well as the right to correct and delete data and withdraw your consent for processing at any time.

Important information! The University does not provide accommodation.

The Dean of the Faculty of Philosophy and Sociology UW

QUESTIONNAIRE

A. EDUCATION

1. Bachelor's degree (if the candidate was educated in the Bologna system)
 - 1.1 Place of obtaining the diploma (University/Faculty/Institute):
 - 1.2. Date of graduation:
 - 1.3. Title of the dissertation:
 - 1.4 Is this a diploma with distinction? YES NO
(if the candidate has more than one bachelor's degree, fill in below according to the same schema)

2. Master's degree
 - 2.1. Place of obtaining the diploma (University/Faculty/Institute):
 - 2.2. Date of graduation:
 - 2.3. Title of the dissertation, the supervisor, the reviewers:
 - 2.4 Is this a diploma with distinction? YES NO
(if the candidate has more than one master's degree, fill in below according to the same schema)

3. Doctorate
 - 3.1 Place of obtaining the diploma (University/Faculty/Institute):
 - 3.2 Date of graduation:
 - 3.3. Title of the dissertation, the supervisor, the reviewers:
 - 3.4 Is this a diploma with distinction? YES NO
(if the candidate has more than one master's degree, fill in below according to the same schema)

B. SCIENTIFIC ACTIVITY

1. Publications (Note: please, divide the publications into those related to the research conducted at the Chair for Logic of the University of Warsaw and other publications)
 - 1.1 Articles in scientific journals (title of the article, name of the journal, number, year of publication, pages, co-authors (if any), ministerial list and points awarded for publication in the journal).
 - 1.2 Chapters in monographs (title of the chapter, title of the monograph, editors of the monograph, year of publication, pages, co-authors (if any), information on indexing in the Web of Science, Scopus, other databases (if applicable)).
 - 1.3 Publications in post-conference volumes (title of the article, title of the volume, editors of the volume, year of publication, pages, co-authors (if any), information on indexing in the Web of Science, Scopus, other databases (if applicable)).
 - 1.4 Books (title of the book, year of publication, number of pages, co-authors (if any), scientific rank of the publisher (what important philosophical works have been published by this publisher in the last 3 years)).
2. Research projects
 - 2.1 Title of the project, name of the financing institution, the duration of the project.
 - 2.2 The role of the Candidate in the project.
 - 2.3 The most important results and publications obtained in the project.

- 2.4 Activities undertaken in the project (participation in conferences, organisation of conferences, scientific internships).
3. Participation in international scientific conferences (name, date, title of the talk).
4. Participation in national scientific conferences (name, date, title of the talk).
5. Scholarships and scientific awards.
6. Academic internships.
7. Other scientific achievements not included in the above list (for example, scientific translations, editorial activity).

C. DIDACTIC ACTIVITY

1. List of all the courses given by the Candidate (academic year, university, organisational unit, the form of the course, information whether the course was mandatory or elective, co-teachers, title of the course, number of hours, number of registered participants).
2. The results of student questionnaires for all the courses. In the absence of the results, please explain why they are not available.
3. Did the candidate give courses in English (if so, which ones)?
4. Were some courses conducted using the e-learning platform, and if so, which ones?
5. Did the candidate receive any awards or distinctions for didactic activities (what are they, by whom and for what was the candidate awarded).
6. Supervising dissertations (type of dissertation, name and surname of the author, title of the dissertation, has the dissertation already been defended); other forms of supervision (for example, tutoring - provide the list of the students, number of hours, etc.).

D. ORGANISATIONAL ACTIVITY

1. Membership and function performed in scientific organisations/societies.
2. Membership and function performed in editorial boards of scientific journals.
3. Participation in the organisation of conferences.
4. Activities for popularising science.
5. Organisational activity for the institution in which the candidate was studying, completed an internship or was previously employed.
6. Other organisational achievements not included in the above list.
