NUMBER OF POSITIONS 1

POSTED **June 15, 2018**

EXPIRES July 6, 2018

WEBSITE WWW.FUW.EDU.PL

KEY WORDS astronomy, observational astrophysics, variable stars

DESCRIPTION (field, expectations, comments):

We invite applicants with a PhD degree in astronomy, who obtained the degree no earlier than in 2011 (including possible extensions of this date according to the NCN rules). The applicant should have significant scientific achievements in the field of observational astrophysics, considerable observational experience with optical telescopes, deal with the analysis of variable stars and have experience in working with large astronomical databases. The candidate is expected to support and be in engaged in the observations and analysis of photometric data obtained by the OGLE sky survey, in particular in the search and analysis of pulsating stars and their use to study the structure of the Galaxy.

We offer full-time employment for 36 months. The expected starting date for the position is November 1, 2018.

The candidates have to conform to the conditions stated in art. 109 of Higher Education Law dated 27.07.2005. (uniform text: Journal of Laws of the Republic of Poland 2017, item 2183 with further amendments).

The requirements:

- The PhD degree in astronomy obtained not earlier than in 2011 (including possible extensions of the this date according to the rules of the Polish National Science Centre)
- Outstanding scientific record in observational astrophysics
- Significant observation experience with optical telescopes
- Experience in the analysis of variable stars
- Experience in working with large astronomical databases
- Ability to work on computers running Linux / Mac
- Ability to program in Fortran, C / C ++, Python
- English level: excellent

The candidate should provide the following documents:

- 1. Application for the position. *In case of submitting the application by e-mail, please use the pdf-format and the file should contain a scanned signature.*
- 2. Information on the processing of personal data information clause and consent clause attachment to the announcement (available on the website http://bsp.adm.uw.edu.pl/bsp/druki-i-formularze/). In case of submitting the application by e-mail, please use the pdf-format and the file should contain a scanned signature.
- 3. Curriculum Vitae,
- 4. List of scientific publications, conference presentations and ongoing research and development projects,
- 5. Copy of the PhD degree diploma,
- 6. Two recommendation letters sent to the e-mail address of the project PI (soszynsk@astrouw.edu.pl).

The candidate should provide all documents to the Astronomical Observatory of the University of Warsaw (sekretariat), Al. Ujazdowskie 4, 00-478 Warszawa, Poland.

The documents listed above as items from 1 to 4 should also be e-mailed as pdf files to the address: sekretariat@astrouw.edu.pl

The entire procedure will be concluded before August 7, 2018. The candidates might be asked for an interview with the commission appointed by the Dean of the Faculty.

All applicants will be notified individually by email about the results of the competition.

This announcement is the first step in the procedure of employing an assistant professor and its positive result will be a base for consecutive steps.

INFORMATION ON THE PROCESSING OF PERSONAL DATA INFORMATION CLAUSE

Pursuant to Article 13 of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation), University of Warsaw hereby informs:

- 1. The Controller of your personal data is the University of Warsaw with its registered office at Krakowskie Przedmieście 26/28, 00-927 Warszawa;
- 2. The Controller has designated the Data Protection Officer who supervises the processing of personal data, and who can be contacted via the following e-mail address: iod@adm.uw.edu.pl;
- 3. Your personal data will be processed for the purpose of carrying out a recruitment process and selecting an employee and concluding a contract for employment at the University of Warsaw;
- 4. The provided data will be processed pursuant to Article 22¹ § 1 of the Act of 26 June 1974 Labor Code (uniformed text: Dz.U. of 2018, item 917) and your consent for processing of personal data;
- 5. Provision of data in the scope stipulated in the Labor Code is mandatory, and the remaining data are processed according to your consent for processing of personal data;
- 6. The data will not be shared with any external entities;
- 7. The data will be stored until you withdraw your consent for processing of personal data;
- 8. You have the right to access your personal data, to rectify, erase them, restrict their processing, object to processing, and to withdraw the consent at any time;
- 9. You have the right to lodge a complaint to the President of the Office for the Protection of Personal Data.

CONSENT CLAUSE

I hereby consent to have my personal data processed by the University of Warsaw with its registered office at ul. Krakowskie Przedmieście 26/28, 00-927 Warszawa for the purpose of carrying out a recruitment process and selecting an employee and concluding a contract for employment at the University of Warsaw.

I have been informed of my rights and duties. I understand that provision of my personal data is voluntary.
