The Dean of the Faculty of Geology of the University of Warsaw announces the open competition for the position of Senior Lecturer in the Institute of Hydrogeology and Engineering Geology (Department of Geomechanics) of the Faculty of Geology of the University of Warsaw

Terms of the competition:

1. PhD degree in Geology,
2. internship teaching of not less than 10 years at the university
3. educational experience and substantial preparation to teach Rock Engineering, Geomechanics, Mechanics of Rock Materials
4. experience in conducting graduate work (undergraduate and graduate),
5. scientific activity in Geomechanics and publications in this field,
6. ability to interpret the results of strength tests of rocks under uni- and triaxial stress field,
7. knowledge of laboratory analyses of geometric structure of fracture surfaces and determining roughness parameters for rock massifs classification,
8. knowledge of the English language.

Documents needed:
1. Application form,
2. References letter from a member of Academic Staff,
3. Curriculum vitae,
4. Personal questionnaire and 3 photos,
5. “Doktor habilitowany” Diploma,
