PROCEDURE TO BE FOLLOWED IN THE EVENT OF SYMPTOMS (FEVER, COUGH, DYSPNOEA)
GIVING RISE TO THE SUSPICION OF COVID-19 INFECTION
IN PERSONS PRESENT ON THE PREMISES OF THE UNIVERSITY OF WARSAW

1. Isolate the person suspected of being infected with COVID-19 from all other occupants of the premises in a specially equipped room (known as an isolation room).
2. Follow the applicable "Procedure for responding to incidents of SARS-CoV-2 infection"
3. Call 112 if you need to take a person for swabbing to a collection point of your choice from the list on the pacjent.gov.pl website, or obtain information on COVID-19 from the Mazovian Voivodship Sanitary Inspector on duty phone: +48 502 171 171, e-mail address: wssewarszawa24h@wsse.waw.pl.
4. Immediately inform persons in the UW facility of suspected COVID-19 infection.
5. Persons in direct contact with the infected person, with the exception of vaccinated and recovered persons (up to 6 months after recovery) are subject to a quarantine period of 10 days.
6. Persons arriving to Poland from outside the European Union, from outside the Schengen Area and from outside Turkey, with the exception of vaccinated (with a full course of vaccination with a preparation recognised in the EU) and recovered patients (who have had infection with SARS-CoV-2 no more than 6 months before the day of crossing the border of the Republic of Poland), are subject to a 14-day quarantine.
7. Persons arriving in Poland from EU Member States, the Schengen Area and Turkey, with the exception of vaccinated persons (with a full course of vaccination with a preparation recognised in the EU) and recovered persons (who have been infected with the SARS-CoV-2 virus not more than 6 months before the day of crossing the border of the Republic of Poland), are subject to a 10-day quarantine.
8. After a person suspected of being infected with COVID-19 has left the isolation room, the room and its equipment must be disinfected and the area must be thoroughly cleaned in accordance with applicable procedures (legal basis: Articles 207 and 304 of the Labour Code).
